

Mrs Kerin Hutchings (SA) SULIMAN Afghans

I purchased my first afghan hound in the 1970's and over the years have been fortunate to win over 60 Best In Show's. My most memorable highlights have been BIS at the Adelaide Royal Show in 2001 with our Grand Ch American/Can Import "Derby", R/U BIS and BIS 3rd at Adelaide Royals with our famous "Kodak" and Puppy In Show at Sydney Royal in 2006 with our homebred afghan Ch Suliman Super Excite.

I have titled three afghans to their Grand titles and am proud to say I have two more I currently show only fifty points from completing their Grand titles also.

In addition to the afghans, in recent times we have purchased for our daughter Rachel, a whippet for showing. Little were we to know how enjoyable this breed is to own and how easily the whippet convinced us to allow her to have the run of the whole house! We also have a standard long hair dachshund which has enjoyed life on our couch for the past five years and continues to do so while asserting her authority to all the bigger dogs!

I am currently an SACA Councilor and I am on the judges training panel for Groups 1, 5 & 7. I am honored to be judging your December Twilight show and look forward to seeing your wonderful hounds.
